## ORDERING INFO AND SHIPPING RATES

### GENERAL

Order as early as possible—supplies are short on some items. Please use email to inquire about availability if you have access to the Internet. The address is <craig@elk-mountain.com>. Some species of Shrubs and Trees won't be available until Fall or next Spring. Most of these are noted in the Catalog.

If we are out of stock of the plant you ordered and no substitutions are indicated, your money will be refunded. Due to shipping costs, backorders are not usually made unless the amount is more than the minimum order.

### PACKING

All plants sent to Eastern States (within the 3 day service area for UPS Ground) are shipped in the containers they were grown in. Our packing is the best in the business.

### MINIMUM ORDERS

\$20.00 for plant orders plus a minimum of \$7.00 for shipping and packing.

No minimum for book orders.

### PAYMENT

Please enclose check or money order. VISA, MASTERCARD, DISCOVER & AMERICAN EXPRESS are accepted. Prices are subject to change without notice.

### GUARANTEE & CLAIMS

All plants are guaranteed to be healthy and well rooted when shipped. Open cartons and check plants carefully when received—place in shade, water if necessary. Claims must be made immediately on receipt of order.

### SHIPPING

Orders are usually shipped on Monday or Tuesday (to avoid spending the weekend in a truck) by UPS Ground Service for the Eastern States.

**The shipping season is from Mid-April to October**, with a break from hot weather in July & August. We do our best to ship near the date requested but orders are sometimes delayed during the peak months of April and May.

Native species are not grown in hot-houses. Shipment before evidence of new spring growth is discouraged. Plants going south will ship before ones travelling north. Even though your area may be in Spring bloom, ours may still be frozen. Please be patient in Early Spring!
